

April 11, 2014

Barry I hope this will help. Sorry it's not high tech but this is how I have kept records for 34 years.

The number circled on the right is number of people in home.

As stated before there are 54 lots only 42 are occupied.

Numbers run 1 thru 11, 16 thru 55. then 57 thru 60.

Rent is \$280.00 per month.

I mentioned that lot #45 pays \$650.00 per month. I did however forget to mention a couple other differences in rent payments.

Lot #41 right now only pays \$150.00 per month. He has been away for awhile so Jerry said the \$150.00 until he returns.

Lot #57 pays \$330.00 per month. They are paying the extra because they wanted a bigger yard.

Those two situations were just verbal agreements with Jerry and I am sure the new owner could decide if they wanted to continue that arrangement.

Last item that Jerry wanted me to mention to you is in regards to our contract with Rumpke. He signed a 2 year contract that will expire on 5/8 2014.

Sincerely,

Chris Shockley
